

The 10 Best Custom Home Builders in Barrington Hills, Illinois

Icon Building Group

468 Woodland Chase Ln. Vernon Hills, IL 60061

This cool gray-exterior Lincolnshire home has a cozy flagstone backyard you'd never want to leave: there's a comfy lounge around a fire pit and an outdoor grill and dining space that nestle well into the lush surroundings. Broad windows and glass sliding doors keep the open layout interior spaces connected to the outdoors as well. The home office is bright, while the master bedroom is spacious, warmed by its own ribbon fireplace. Mosaic tiles accentuate the master bath, which sits behind a modern barn door.

The home was built by Icon Building Group, a custom home builder that has been serving Chicagoland and Southeastern Wisconsin since 2008. President and CEO Charlie Murphy leads the team of talented project managers and designers in delivering projects on time and on budget. Icon is all about helping their customers design a custom home that meets all of their needs and wants, for a budget that feels good. The firm also has a large remodeling division focused on aiding homeowners adapt their home to meet the growing needs of the family. Icon has won multiple Key Awards from the HBAGC.
